At the Ranch, Ryegate, MT | Lunch 11:00 a.m. | Sale 1:00 p.m.

Hello from all of us at
Green Mountain Angus Ranch!

Hope this finds all of you in good health and having a prosperous year. We here at Green Mountain have reached a milestone as this is our 50th year in the Angus business. It seems like yesterday when we had our first bull sale at Sturgis Livestock Sale barn in 1973. There has been a lot of changes in the breed since then. One thing that hasn't changed is our commitment to provide the best service and the best genetics that are available. Our commitment to you our customer will always be our number 1 priority. Thank You for letting us be a part of your program!

This has been a very good year here in central Montana. Early rains gave us a good grass crop and we even got to cut some dry land hay-something we haven't been able to do for several years. It sure feels good to see the stack yards full! Another great thing this year is our cattle prices. Most of us sold our calves and yearlings for the highest prices we have ever received. The national cow herd is at an all-time low, beef consumption is high, exports are great, all of these facts tend to make me think we have several good years in front of us.

The sale bulls are again being fed at Brad Kraft's in Billings. Brad does a great job feeding the bulls the right way. They are fed to stay sound. The sale bulls have been picked and are in their pens. This year's crop looks to be the best set we have ever raised. Flagstone and Advocate did their usual great job. Both bulls are making a positive mark on the Angus breed. New bulls like Wrangle and Architect have fit right into this program. Wrangler is one of the top calving ease sires in the Angus breed. His calves come easy, have lots of vigor and grow up to be thick stout calves. Wrangler will be represented in the sale with over 40 sons selling. Architect is a new growth bull that we tried this year. Architect goes back to the great Chisum bull that we used several years ago. Our Chisum daughters are some of our best cows. We are hoping Architect does the same. Sitz Virtue is another new sire with a high PAP score. Virtue is doing a great job all over the country. Virtue sons show a lot of thickness and stand good on their feet and legs. The Virtue calves that we had on display during the tour were a lot of peoples favorite. As in the past the bulls will be wintered, semen tested and delivered at no charge in the spring. No matter what you are looking for- growth, maternal, carcass traits or calving ease this sale will have what you need.

This year's sale heifers look to be the best set we have ever offered. The majority of these heifers have come out of our registered herd. They will be sold as commercial but the buyers will be able to obtain the papers for an additional fee. The AI sires that we bred these heifer to are Advocate, and the Beef 360 bull S Wrangler, Armstrong and KG Premier. This will be a great opportunity to purchase some of our top genetics. These heifers will make a great set of cows and have a lot of future in front of them.

As always we would like to thank you for considering us and letting us be a part of your program. We will continue to use all the available tools that are out there to produce the type of cattle that meet and exceed your expectations. We invite you to visit our website at www.greenmountainangus.com

Please consider this your personal invitation to our November 17th sale and if you have any questions on the bulls or the heifers, please don't hesitate to call. Thank you for considering us. We would love to be a part of you program.

Sincerely,
Tim & Kris Todd

Reach Inc.: Reach, Inc is a private, non-profit corporation located in Bozeman, Montana. In operation since 1974, Reach's mission "is to support adults with disabilities whom we serve to attain their individual goals and aspirations." Currently Reach works with about 100 people with disabilities (including Dwight & June Winchester's youngest son Clint), providing a range of supports including 24 hour residential services, supportive living programs, assisting people to gain and maintain employment and providing transportation. Reach believes that individuals with disabilities have the right to work, live and recreate in their communities. Reach is dedicated to assisting people with disabilities in becoming valued members of their community.

Yellowstone Boys and Girls Ranch: Yellowstone Boys and Girls Ranch has been helping troubled kids since 1957. Today YBGR operates a 410-acre working farm and ranch by allowing kids the opportunity to have a hands-on experience working with livestock, equestrian, welding, woodworking and small engine repair through our Vo-Ag classes.
