

GREEN MOUNTAIN ANGUS RANCH

MEATING THE GRADE
ANNUAL SPRING BULL SALE

FRIDAY, MARCH 14, 2025

NEW LOCATION PAYS, BILLINGS, MT
Lunch at 11 AM • Sale at 1 PM

*Over 100 head are
Bonafied Heifer Bulls!!*

Hello from all of us at Green Mountain Angus Ranch!

Welcome to the Green Mountain Angus Spring Bull Sale. I hope this letter finds all of you in good health and having a prosperous year. It would be an understatement to say that we are enjoying a great time in the cattle industry. We saw record prices last fall in the calf and yearling market. As I write this letter fats have hit an all-time high and the bred cow market has been consistently between three and four thousand dollars for good cows. The latest data that I've seen from cattle fax shows that the nation's cow herd is still in decline. Our export market continues to grow and BEEF consumption is high. All these trends can mean only one thing: It is a great time to be in the cattle business and the future looks great!

The quality of bulls in this year's spring sale runs deep. Sires like Armstrong, Architect, Wrangler and Patriarch are producing the kind of cattle that will add performance, maternal strength and carcass to your cow herd. Our goal is to produce the type of cattle that will help your herd be as profitable as possible. This offering of bulls consists of over 100 Bonafied Heifer Bulls so no matter what you are looking for, increasing weaning weight or lowering birth weights this sale will have what you need.

The 2 year old bulls in this sale come right out of the heart of the Rooney program. These bulls will be hard and ready to go to work. All bulls in the sale will be semen tested before the sale and have genomic enhanced EPD's with parentage verification. This provides the most up to date epd's and dollar values as well as guarantees the parentage of each bull in this sale. All bulls also sell with that famous Green Mountain Angus guarantee.

This year's sale will be broad casted live online on Frontier Livestock. Individual videos of the bulls will be available approximately two weeks before the sale. If you have any questions or would like us to send you a catalog, contact us anytime. Hope to see ya sale day!

Sincerely,
Tim & Kris Todd

THE GUARANTEE

All bulls will be covered 50% by Green Mountain Angus Ranch if they are injured during their first breeding season and unable to return to service during that first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. If a replacement bull is available, he will be provided, or if a buyer prefers credit towards a bull in the following year's sale, 50% of the value of the injured bull, minus one-half salvage value will be given as credit. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1st, 2025.

TERMS & CONDITIONS

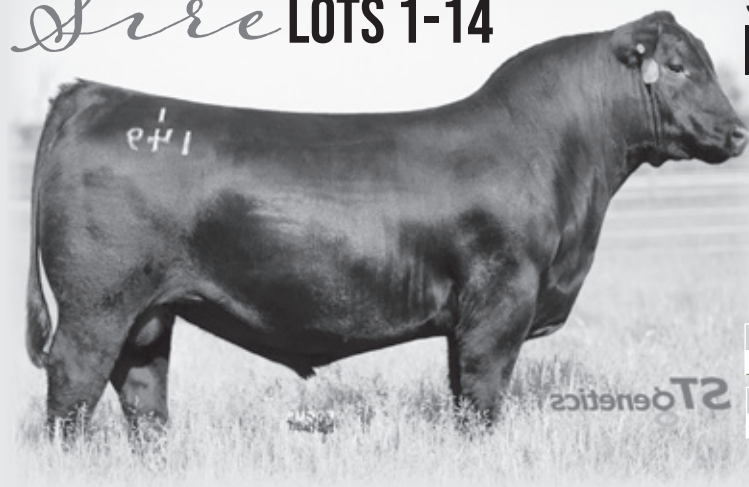

This sale is being conducted under the suggested terms and conditions adopted by the American Angus Association effective March 16, 1992. Except for those stated in the terms and conditions, there are no warranties, either expressed or implied, as to merchantability or fitness for particular purpose with respect to the cattle being sold in this auction. The warranties and guarantees set forth in the "Terms and Conditions are in Lieu of all warranties, either expressed or implied and remedies provided there in shall be the sole and exclusive remedy of the buyer (or any party claiming through buyer) for all other obligations or liabilities. A copy of the Association Terms and Conditions will be available sale day for inspection.
